

Dear Tri Kappa Sisters,

It appears this pandemic is going to be around for a while longer. Once chapters can no longer find outside space to have a physical meeting, we will all need to turn to virtual (Zoom) meetings if we cannot find the indoor space that will allow for social distancing. Under no circumstances are we to put any of our sisters at risk. If you feel you have a place to hold physical meetings that meet the requirements set out by Governor Holcomb, then please go ahead and have your meeting but do not make these meetings **mandatory** for membership. Some of our sisters are at greater risk than others so we need to be very understanding.

We need to set aside the rules until this pandemic is under control and our sisters feel comfortable attending a meeting. Many chapters have been having Zoom meetings. Pick a theme and have your members dress for the occasion. It can be fun! Once this pandemic is under control, we will be able to get things back to normal. Council has drafted an amendment to our *Bylaws* to provide guidelines for virtual meetings in the future. In the meantime, please use this option as an alternative to physical meeting when necessary.

We do not have a guide for this situation. We are all taking it one day at a time. We need to stay in touch with one another. Try to call or email your members to make sure they are all OK. Do they need someone to get their groceries? Maybe pick up a prescription? Maybe a visit on their front lawn from a sister or bake some treats and distribute them to each other. We are on uncharted territory making history. Let us make sure that the stories we will share and the good deeds we do, and the decisions we make reflect the wonderful gift of sisterhood that we were all given when we became members.

Stay Safe-Stay Strong
Chris Klus
Council President
